An Equal Opportunity Employer

The Department of Workforce Development will honor 36 individual Hoosiers and six partners Thursday, November 20 for outstanding achievement while participating in Indiana's workforce development programs. Commissioner Alan Degner will present the awards.

"These individuals overcame great obstacles to meet their goals. Their personal stories are inspiring and their dedication to the Hoosier tradition of hard work deserves this celebration. The businesses we are honoring enabled Hoosiers to overcome barriers and find meaningful work," Degner said.

**Subject: Success Stories**
